

TRAFFIC ALERT - TUNNEL CLOSURES

Northbound – Scheduled Maintenance

Sunday, 12 September until Friday, 17 September 2010

10.00pm – 5.00am nightly

The Clem Jones Tunnel (CLEM7) northbound will be closed for scheduled night time maintenance works from 10.00pm until 5.00am every night commencing Sunday, 12 September and finishing the morning of Friday, 17 September 2010.

Southbound – Scheduled Maintenance and Simulated Emergency Response Exercise

Sunday, 19 September until Friday, 24 September 2010

10.00pm – 5.00am nightly

The CLEM7 southbound will be closed for scheduled night time maintenance works from 10.00pm until 5.00am every night commencing Sunday, 19 September and finishing the morning of Friday, 24 September 2010.

Part of this closure will include a simulated emergency response exercise, which will be conducted inside the CLEM7 southbound on Thursday, 23 September 2010 between 10.00pm and 5.00am. CLEM7 northbound will remain open during this exercise, with a temporary lane closure in place.

Your patience and co-operation is appreciated.
