DATE OF ISSUE: 13 JANUARY 2010

CONNOR STREET AND NIGHT WORK UPDATE, KANGAROO POINT

Duration of work: January – February

Connor Street cul-de-sac construction

Work to construct the Connor Street cul-de-sac will continue until early February 2010.

The remaining construction activities will include:

- concrete work including the installation of formwork,
- fencing installation,
- profiling and asphaltting on **14 Jan**,
- footpath construction,
- landscaping and maintenance work.

Changed pedestrian and traffic conditions will occur on Connor Street during the day as part of this work.

Residents are asked wherever possible to park their vehicles within their properties to enable machinery to access the street.

Access to private properties will be maintained at all times.

Night Work on Shafston Avenue and local streets

Throughout January and February intermittent night work will occur on Shafston Avenue, Wellington Road and some local streets.

Ongoing night work activities will include:

- small to medium signage installation and sign commissioning along Shafston Avenue, Wellington Road and at the new busbay,

- pulling cables and minor service work,
- final line marking inbound on Shafston Avenue between Wellington Road and the portal on ramp, including the bus bay adjacent Connor St on **20 January**,
- inspections and minor rectification work,
- maintenance and tidying,

Work on Shafston Avenue will occur between the hours of 8pm – 5am under lane closures to avoid day time traffic congestion and to enable work activities to be carried out safely.

WHAT TO EXPECT

- Out of hours and night work.
- Changed traffic and pedestrian conditions.
- Noise from heavy machinery.
- Noise from reversing beepers.

For occupational health and safety reasons, reversing beepers can not be switched off.

WHAT WE WILL DO

- Use traffic control and signage to assist motorists and pedestrians during construction activities.
- Limit reversing movements where possible.

Please be advised that adverse weather conditions may affect work schedules and activities.
