## Pacific Motorway and Ipswich Road Night Work and Signage Installation

*Duration of work: Jan – Feb 2010*

### **SIGNAGE INSTALLATION WORK**

From **4 January until late February 2010** five large gantry signs will be installed at night across the in and outbound lanes of the Pacific Motorway between Sunshine Avenue and the Hawthorne Street Overpass as part of preparation work for the opening of the CLEM7 tunnel.

This work will occur between the hours of 8pm – 5am to avoid traffic congestion.

During the installation of each sign there will be an approximate 15 minute full closure of the motorway lanes while the centre section of the sign is raised and secured. These closures will occur between the hours of 1am – 3am.

Additional variable messages signs (VMS) will be in place to advise motorists of changed traffic conditions.

Traffic control and police will be in attendance to assist motorists during construction activities.

Ongoing construction for the Pacific Motorway will also include:

- installation of smaller traffic signs and minor repair work to services
- removal of barriers and line marking
- removal of signage covers
- ongoing maintenance of work sites

### **Ipswich Road Night Work**

Ongoing night work on Ipswich Road will include some signage installation, final traffic switches, removal of signage covers and barriers, and line marking.

Lane closures will be required as part of this work on the in and outbound lanes of Ipswich Road.

### **WHAT TO EXPECT**

- Use of heavy machinery.
- Changed traffic conditions on the Pacific Motorway and Ipswich Road.
- Delivery of materials and equipment to site.

**Please be advised that adverse weather conditions may affect work schedules and activities.**

### **WHAT WE WILL DO**

- Use traffic control during changed traffic conditions.

**LBB JV wishes to thank the community for their continued patience during construction activities.**
